The overall activity level of this tour is a level 3. This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices.

The walking tour of the Alhambra will take approximately 3 hours.

Travel with an average of 37 people (maximum of 44).

If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention.

From mid-June to mid-September, temperatures can easily reach 90 degrees.

Dinner times follow local custom and will be served at 7:30 p.m. or later.

Due to local festivities, the order of your included visits may change.

*Alhambra tickets are not guaranteed and subject to availability per Spanish Governing Authority. On the rare occasion that tickets are not available for your entire group, you will visit another top Spanish attraction and your group leader or travel agent will be notified. Complete passport information is required 150 days prior to departure to book tickets to the Alhambra. If passport information is incomplete or inaccurate within 150 days prior to your tour departure, there is a strong possibility that we will be unable to confirm entrance tickets. You will be subject to any additional charges incurred from failing to provide passport information within the designated time frame.

Hotel check-in on your day of arrival is 3:00 p.m. Rooms may not be available prior to that time.

Single accommodations are limited and are available on a first-come, first-served basis. Single rate subject to change based on availability.

Due to traffic regulations, buses cannot reach historic city centers. This means at times, the bus may drop the group off at one location but pick it up elsewhere. If you opt out of an activity, you'll need to arrange your own transfer to the next bus pick-up spot, as passengers cannot remain on the bus during stops due to European regulations.

To complete your tour, we include roundtrip airport-to-hotel transfers when purchasing our airfare with your tour. If you have arranged for your own air, we are pleased to provide you the option of purchasing these transfers. Please note that all transfers will leave at pre-scheduled times.

Our air passengers will arrive into Malaga, Spain and transfer to Fuengirola.

Experience It! Costa del Sol

Located in the Spanish region of Andalusia, Costa del Sol, or Sun Coast, has appealed to citizens of Europe—and the rest of the world—for centuries. With its mild winter temperatures and abundant sunshine, it's no wonder it's long been a retreat for northern Europeans escaping harsher winters. Here, golden sands line the Mediterranean coast, while small towns and whitewashed villages with cobblestone streets pepper its shores. For all its recent history, the region has been in the path of explorers and settlers for thousands of years and boasts incomparable historical monuments to prove it.
